Ã ¢ â,¬ å "not of the right measurements, the graphs of the size of the shop are practically useless. "Your hip measurement should actually be called the lower measurement because it should be taken, not on your hip bone, but around the largest part of your butt. I think it is because I had a rather large bust for My dimensions. Julie Hannah, a daily record designer, said: "One of the major problems is that women are not sure from which part of their bodies to take the measurements. Karen Hannah, 52 Karen, Glasgow receptionist, said: "I only see something, I like it and I compress it" even if I know it may not be the right size. If I can squeeze in a 6, I also close it.
